???????

The collage includes several components:

- A top row showing two photos: one of fruit peels and cores labeled "Fruchtreste und Kernobst" and another of dried leaves labeled "Blattreste".
- A middle section featuring a large diagram of a compost bin with labels 1 through 6, and a small inset photo of a compost pile.
- A bottom left section with text about *Aspergillus niger* and *Mucor* species, along with a table of microorganisms and their properties.
- A bottom right section with text about *Bacillus* species and a table of microorganisms and their properties.
- A small image of a plant growing in soil on the far right.
